

Epilepsy Purple Day

On Friday, 28th of March, we are inviting students to wear purple to raise awareness for Epilepsy, which is a condition that impacts many families, including some in the Shelley community.

Please bring along a gold coin or a purple \$5 note, which will be donated to Epilepsy WA so that they can continue to support families. It doesn't need to be a full outfit (I know for WCE supporters, this is a big ask!); socks or a hair decoration is fine – of course, if you want to go purple-crazy, feel free! The Student Councillors are also keen to collect any silver coins you have laying around and will be running some competitions.
